DRIVE FOR ZERO
GOLF CLASSIC

Silent Auction Catalog

UNICEF has saved the lives of more children than any other humanitarian organization in the world. Despite extraordinary progress, 18,000 children still die every day from preventable causes. The U.S. Fund for UNICEF believes that number should be ZERO.

The U.S. Fund for UNICEF is proud to announce the third annual UNICEF Drive for ZERO Golf Classic. A combined metaphor for UNICEF's work in saving lives and a golfer's attempt to shoot the lowest round possible, the Drive for ZERO Golf Classic raises critical funds for UNICEF while providing a fun day of golf for players and spectators alike.

All items will be available during the tournament's silent auction. Items confirmed as of 09/16/14.
