DRIVE FOR ZERO

GOLF CLASSIC

The U.S. Fund for UNICEF is proud to announce the fourth annual **UNICEF Drive for Zero Golf Classic** this fall. The Drive for Zero Golf Classic – a name that combines UNICEF’s belief in zero and a golfer’s desire to shoot the lowest round possible – will raise critical funds for UNICEF’s lifesaving work while providing a fun day of golf for players and spectators alike.

UNICEF has saved more children’s lives than any other humanitarian organization in the world. Despite extraordinary progress, 17,000 children still die each day from causes we can prevent. We believe that number should be zero.
