## **Independent Auditors' Report**

The Board of Directors
United States Fund for UNICEF:

#### Opinion

We have audited the consolidated financial statements of United States Fund for UNICEF and its affiliates (USF), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanyingconsolidated financial statements present fairly, in all material respects, the financial position of USF as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the USF and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the USF's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

## Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the
  consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the USF's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the USF's ability to continue as a going concern for a reasonable period
  of time

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Report on Summarized Comparative Information

We have previously audited USF 2021 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 8, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

# Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental information included in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

# (1) Organization and Summary of Significant Accounting Policies

## (a) Principles of Consolidation

The accompanying consolidated financial statements include the United States Fund for UNICEF (Fund) and affiliates, UNICEF USA Impact Fund for Children Inc (IF4C), and Bridge Fund Grant Assistance Corporation (BF-GAC); collectively (USF). The Fund is the sole voting member of IF4C and BF-GAC and elects their boards of directors. There were no transactions for BF-GAC in 2022 and 2021.

#### (b) Nature of Activities

The Fund is a not-for-profit organization, chartered by the State of New York, organized to support programs through fund-raising, education, and advocacy activities, providing lifesaving medicine, better nutrition, clean water and sanitation, quality basic education, and emergency relief to children, families, and communities in more than 190 countries and territories. As a partner in the global commitment to build a world fit for children, the Fund is working to create a world that is free from poverty, disease, violence, exploitation, and discrimination.

IF4C is a not-for-profit organization, chartered by the State of New York, organized to support the Fund by facilitating the contribution and distribution of in-kind donations to advance the health, education, and welfare of children throughout the world.

BF-GAC is a not-for-profit organization, chartered by the State of New York, to receive contributions and other financial support and give grants to international charitable organizations to be used by such organizations to benefit children throughout the world.

IF4C and BF-GAC operate exclusively for the benefit of and to perform specific functions of the Fund for charitable and educational purposes.

## (c) Financial Statement Presentation

The consolidated financial statements include certain prior year summarized comparative information, which does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Accordingly, such information should be viewed in conjunction with USF's consolidated financial statements for the year ended June 30, 2021 from which the summarized information was derived.

USF prepares its consolidated financial statements on the accrual basis in accordance with U.S. GAAP. Net assets of USF and changes therein are classified and reported as follows:

Without Donor Restrictions Net Assets – Net assets that are not subject to donor-imposed restrictions.

7

With Donor Restrictions Net Assets – Net assets subject to donor-imposed restrictions that will be met either by actions of USF and/or by the passage of time as well as assets subject to donor-imposed restrictions that stipulate that they be maintained permanently by USF but permit USF to expend all or part of the income derived therefrom to support operations.

Notes to Consolidated Financial Statements

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

Revenue is reported as increases in net assets unless its use is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets unless their use is restricted by explicit donor stipulation or by law. Expiration of net assets with donor restrictions, that is, the donor-imposed stipulated purpose has been accomplished and/or the stipulated time period has elapsed, except for those restrictions met in the same year as received, which are reported as without donor restriction revenue, are reported as net assets released from restrictions.

## (d) Cash and Cash Equivalents

USF considers highly liquid investments with original maturities of three months or less to be cash equivalents, except for such investments purchased by USF's investment managers as part of their long-term investment strategies. Financial instruments that potentially subject USF to concentrations of credit risk consist principally of cash, certificates of deposit, and commercial paper. Cash and cash equivalents in excess of insurable limits aggregated approximately \$166.1 million and \$99.4 million at June 30, 2022 and 2021, respectively.

## (e) Investments, Including Investments Held for Split-Interest Agreements

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value based upon values provided by USF's external investment managers or upon quoted market prices. Investments in limited partnerships are reflected at estimated fair values, which, as a practical expedient, are the net asset values as reported by the general partners. The estimated fair value may differ from the values that would have been reported had a ready market for these securities existed. USF reviews and evaluates the values provided by the general partners and agrees with the valuation methods and assumptions used in determining the estimated fair value of the limited partnerships.

Realized and unrealized gains on investments generated by net assets with donor restrictions are available for unrestricted use and are recorded as without donor restriction revenue.

Investment income is recorded when earned. Realized and unrealized gains and losses are determined on the basis of specific identification.

Investments are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements.

## (f) Property and Equipment, Net

Property and equipment are recorded at cost. Depreciation and amortization are computed by the straight-line method over the estimated useful lives of the assets, or in the case of leasehold improvements, over the lesser of the remaining terms of the leases or the estimated useful lives of the improvements.

8

Notes to Consolidated Financial Statements

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

Useful lives used in the calculation of depreciation by major category of assets are as follows:

Office condominium

Computer equipment and internal use software

Furniture and fixtures

Office equipment

39 years

3–5 years

5–7 years

3–5 years

# (g) Revenue Recognition

Contributions through direct mail and other campaigns are recorded as public support when received.

Gifts-in-kind are recorded as public support at their estimated fair value on the date of receipt. For donated gifts-in-kind, USF performs a review and evaluation of the fair values by using methods that include reviewing observable market data. This includes reviewing independently quoted prices for that particular pharmaceutical product or a similar pharmaceutical product and incorporating the fair value provided by the donor. USF does not sell donated gifts-in-kind. The inputs used to measure the fair value of gifts-in-kind are considered Level 3 within the fair value hierarchy (note 1(m)).

Additionally, a substantial number of volunteers have donated their time to support the USF's fund-raising and other activities. The value of these contributed services is not included in the consolidated financial statements since they do not meet the criteria for financial statement recognition established under GAAP.

## (h) Grants

Grants are recorded as an expense and liability when approved by the board of directors of USF. All commitments are expected to be paid within 12 months from the date of the consolidated statement of financial position.

#### (i) Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated using the square footage method among the programs and supporting service areas that were benefited.

## (j) Deferred Bond Acquisition Costs

Costs incurred to obtain long-term debt are deferred and amortized over the life of the debt.

## (k) Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported consolidated amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Estimates made in the preparation of the consolidated financial statements include valuation of

9

Notes to Consolidated Financial Statements

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

investments at fair value, net realizable value of contributions receivable, fair value of gifts-in-kind and functional expense allocations. Actual results could differ from those estimates.

The Fund invests in various investment securities and relies on fundraising to support its operations. U.S. and international markets have experienced significant volatility in 2021 continuing into 2022. There is significant uncertainty around the impact from, inflation, rising interest rates and threat of an economic recession on the U.S. and international economies and, as such, the Fund is unable to determine if it will have a material impact to its consolidated financial position and changes in net assets in the future.

## (I) Income Tax Status

The Fund is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and is classified as a publicly supported organization as defined in Section 509(a)(1) of the IRC. IF4C and BF-GAC are also exempt from federal income taxes under Section 501(c)(3) of the IRC and are classified as publicly supported organizations as defined in Section 509(a)(3) of the IRC. The Fund, IF4C, and the BF-GAC are also exempt from state and local income taxes and qualify for the maximum charitable contribution deduction by donors.

USF recognizes the effects of income tax positions only if those positions are more likely than not of being sustained. No provision for income taxes has been made, as USF has not reported any taxable unrelated business income and any unrelated business income is offset by associated expenditures. USF evaluates, on an annual basis, the effects of any uncertain tax positions on its consolidated financial statements. As of June 30, 2022 and 2021, USF has not identified or provided for any such positions.

## (m) Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining the inputs used to measure fair value, the highest priority is given to observable inputs and lowest priority is given to unobservable inputs. Fair value inputs are categorized within a fair value hierarchy as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs observable or corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

## (n) Recently Adopted Accounting Pronouncements

For the year ended June 30, 2022, USF adopted provisions of Financial Accounting Standards (FASB) Accounting Standards Update (ASU) 2020-07, Not-for-Profit Entities (Topic 958), Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-Financial Assets. ASU 2020-07 does not

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

change the accounting and recognition of nonfinancial assets but does require a change in presentation and disclosure requirements. Such requirements include the presentation of contributed non-financial assets as a separate line item in the Statement of Activates and additional disclosures including: the type of nonfinancial asset, the usage in programs and activities, information on any donor restrictions and the fair value techniques used to arrive at the fair value measurement. ASU 2020-07 is applied on a retrospective basis. See Note 12-Contributed Nonfinancial Assets.

## (o) Upcoming Accounting Pronouncements

The FASB issued ASU No. 2016-02 as amended by ASU 2019-01, *Leases*, which will require lessees to recognize most leases on the consolidated statement of financial position, increasing their reported assets and liabilities. This update was developed to provide financial statement users with more information about an entity's leasing activities. ASU No. 2016-02 is effective for the Fund beginning in fiscal year 2023.

## (p) Reclassifications

Certain reclassifications have been made to prior year amounts to conform with the current year presentation.

At June 30, 2022 and 2021, there were two hedge funds. Each may be redeemed quarterly, up to 25% of the balance, and requires a 91-day notice period.

#### (3) Contributions and Other Receivables

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Fair value is estimated giving consideration to anticipated future cash receipts (after allowance is made for uncollectible contributions) and discounting such amounts at a risk-adjusted rate commensurate with the duration of the donor's payment plan. These inputs to the fair value estimate are considered Level 3 in the fair value hierarchy. In subsequent periods, the discount rate is unchanged and the allowance for uncollectible contributions is reassessed and adjusted if necessary. Amortization of the discounts is recorded as additional contribution revenue.

Included in gross contributions and other receivables at June 30, 2022 is approximately \$136.3 million due from five donors. The top five donors account for \$481.4 million or 46.6% of public support revenue for the year ended June 30, 2022. Gifts-in-kind revenue is primarily received from one donor.

## (4) Investments Held for Split-Interest Agreements

Split-interest agreements, for which USF is a trustee, consist principally of charitable gift annuities (CGA), related assets of which total \$10,236,949 and \$11,358,903 at June 30, 2022 and 2021, respectively. Such designated assets exceed the legally mandated reserve. The classification of investments held for split-interest agreements by their level in the fair value hierarchy as of June 30, 2022 and 2021 is as follows:

			2022

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the consolidated statement of financial position.

At June 30, 2022 and 2021, there were one and two hedge funds, respectively. Each may be redeemed quarterly, up to 25% of the balance and requires a 91-day notice period.

Changes in fair value of these split-interest agreements are reflected in USF's consolidated statement of activities. On an annual basis, the Fund values the liability to the designated beneficiaries based upon actuarial assumptions. The present value of the estimated future payments of \$3,520,342 and \$3,493,544 at June 30, 2022 and 2021, respectively, is calculated using the Internal Revenue Service discount rate and applicable mortality tables.

## (5) Grants

The boards of directors of USF authorized grants to UNICEF-assisted projects and various nonprofit organizations from funds and in-kind gifts received by USF during the years ended June 30, 2022 and 2021. Such grants are to be used by UNICEF and nonprofit organizations solely for those assistance projects approved by the boards of directors to provide life-saving medicine, better nutrition, clean water and sanitation, quality basic education, and emergency relief to children, families, women, and communities in more than 150 countries and territories.

## (7) Long-Term Debt

## (a) Bonds Payable

On June 14, 2007, a private placement of New York City Industrial Development Agency issued Civic Facility Revenue Bonds (the Bonds) totaling \$43,510,000 consisting of two series: Series 2007A (Series A) in the amount of \$7,910,000, fixed interest rate 5.05% and Series 2007B (Series B) in the amount of \$35,600,000, fixed interest rate 5.30%. Proceeds of the Bonds, net of issuance costs of \$1,204,778, were used by USF to acquire an office condominium (the Facility) and to pay for related interior space construction costs, to purchase furniture and fixtures, and to pay related costs as well as closing costs of the bond issuance (collectively, the Project). The Bonds were not secured by any mortgage lien or security interest in the Facility or any property of USF. The Bonds also had a financial covenant in which USF guaranteed to maintain minimum net assets at \$10,000,000.

In September 2016, Build NYC Resource Corporation issued private placement Civic Facility Revenue Bonds, Series 2016 (2016 Bonds) totaling \$39,100,000 to defease the New York City Industrial Development Agency Civic Facility Revenue Bonds Series 2007A and 2007B. The term of the 2016 Bonds is 20 years with a fixed interest rate of 2.86%. The deferred bond acquisition cost on bonds payable for the years ended June 30, 2022 and 2021 was \$624,407 and \$667,469, respectively.

The maturities of the bonds payable subsequent to June 30, 2022 are as follows:

		Amount
Fiscal year ending:		
2023	\$	1,728,424
2024		1,777,026

Interest expense on bonds payable for the years ended June 30, 2022 and 2021 was \$897,846 and \$936,529, respectively.

## (b) Loans Payable

On December 31, 2011, The IF4C entered into a loan agreement with various philanthropic investors for use with the Revolving Guarantee Bridge Fund (RGBF) program. RGBF is an innovative tool that secures better pricing, faster delivery, and a consistent flow of essential goods for children in the developing world by distributing critical, flexible capital to overcome traditional funding obstacles when purchasing urgently needed supplies that save children's lives. RGBF funds its program activities and

grants by obtaining net worth grants and similar contributions, below market loans, and program-related investments from financial institutions, foundations, and other lenders. The RGBF provides UNICEF's Supply Division with access to U.S. mission investment funding to bridge procurement costs until regular, slower payments become available.

The loan payable balance of \$47,250,000 represents various loans from corporate and individual lenders with interest rates ranging from 0% to 3.60% per annum. The loan payable balances range from three to seven years from the date of the loan agreement. Interest expense on loans payable for the years ended June 30, 2022 and 2021 was \$928,599 and \$1,028,800, respectively.

## (c) Line of Credit

USF has a \$20,000,000 amended line of credit agreement with TD Bank ("Lender") signed in June 2021 which expires in March 2023. Advances bear interest at the LIBOR Daily Floating Rate plus 1.5%. There is a non-utilization fee of .25% charged on the unused portion of the maximum line of credit amount, unless the average daily cash balance for the quarter exceeds \$10,000,000. There were no amounts outstanding on the line of credit at June 30, 2022. At June 30, 2021, there was an outstanding balance on the line of credit of \$20,000,000 which was repaid during fiscal year 2022.

## (8) Commitments and Contingencies

The Fund is obligated under noncancelable operating lease agreements for the rental of offices and warehouse space expiring through 2030. Such leases generally contain provisions for increased rentals based upon increases in real estate taxes and operating expenses. Total rent expense was \$1,089,255 and \$829,970 for the years ended June 30, 2022, and 2021, respectively. In accordance with U.S. GAAP, rent expense is recognized on a straight-line basis over the term of the lease. The excess of rent expense accrued on a straight-line basis over rental payments is reported as accrued expenses and other liabilities in the accompanying consolidated statement of financial position.

Future minimum lease payments are as follows:

Fiscal year ending:		
2023	\$	702,253
2024		661,762
2025		481,253

Total	\$	3,602,408

#### (9) Retirement Plan

The Fund has a defined contribution retirement plan, under IRC Section 403(b), which is offered to all of its qualified employees. Employees can contribute a portion of their salary to the plan up to the maximum permitted under the IRC. The Fund will match employee contributions up to 4% of an employee's salary (up to 6% of base compensation prior to July 8, 2013). The employee must complete one year and 1,000 hours

June 30, 2022

(with summarized comparative financial information as of and for the year ended June 30, 2021)

of service and must be at least 21 years of age. In addition, the Fund makes a nonmatching contribution of 5% of salary to eligible employees prior to July 8, 2013 and 4% of base compensation of all eligible employees hired on or after July 1, 2013. The Fund's matching and nonmatching contributions totaled \$1,898,904 and \$1,843,940 for the years ended June 30, 2022 and 2021, respectively.

The Fund has a deferred compensation plan under IRC Section 457(b) in which selected management employees can contribute additional salary up to the maximum permitted by the IRC. The Fund does not match these contributions.

#### (10) With Donor Restrictions Net Assets

With Donor Restrictions net assets consisted of the following at June 30:

## (a) Endowment

USF's endowment consists of individual donor-restricted funds. Net assets associated with these permanent endowments are classified and reported based on the existence or absence of donor-imposed restrictions. USF has no board-designated endowment funds.

USF operates in accordance with the New York Prudent Management of Institutional Funds Act (NYPMIFA). In accordance with the accounting guidance associated with the adoption of NYPMIFA, the remaining portion of the donor-restricted endowment fund that is classified under with donor restriction net assets until those amounts are appropriated for expenditure by USF in a manner consistent with the standard of prudence prescribed by NYPMIFA.

Notes to Consolidated Financial Statements

## (11) Availability of Resources

The Fund manages its financial assets to be available as its operating expenditures, liabilities and other obligations come due. The Fund operates with a balanced budget and anticipates sufficient revenue to cover general expenditures not covered by donor-restricted resources. The board approved the Fiscal Year 2022 and 2021 spend from the endowment, which is estimated to be \$0 and \$145,000, respectively. The 2022 spending is calculated based on the return of the endowment balance as of June 30, 2021. The 2021 spending is calculated based on the return of the endowment balance as of June 30, 2020.

As of June 30, 2022 and 2021, the Fund considered the following financial assets available to meet its general expenditures within one year:

	_	2022	2021
