THE GIRLS FUND

The Girls Initiative to Revitalize Learning and Success (GIRLS) Fund

The GIRLS Fund supports girls' secondary education in Africa through strategic investment in areas where girls' education has been identified as a challenge. Through expanding educational access, improving educational quality, addressing girls' wellbeing and supporting their empowerment, the GIRLS Fund prioritizes efforts that enable all girls to complete secondary education and develop the knowledge and skills they need for life and work. By providing funds to support this program, Delta Kappa Gamma Society International is helping to secure a brighter future for girls across Africa.
