

High School Clubs

Every year, millions of children die from preventable causes like malnutrition, unsafe drinking water, and lack of immunizations.

UNICEF saves and protects children.

And YOU can help UNICEF save lives too.

UNICEF High School Clubs partner with the U.S. Fund for UNICEF to educate, advocate, and fundraise on behalf of UNICEF's lifesaving work in over 190 countries and territories around the globe.

Clubs produce benefit concerts, write letters to elected officials, participate in Trick-or-Treat for UNICEF and the UNICEF Tap Project, write school newspaper editorials, and more!

Be a part of the change. Join or start your own club today!
