

UNICEF Clubs Trainings

Connect and Learn

New Volunteer Orientation

All volunteers

Once a month, the Volunteer team at the U.S. Fund for UNICEF hosts an online training for new volunteers. This one-hour session covers the basics on UNICEF and how to take action in your community on behalf of the world's children. If you are a new leader, or just want to brush up on your knowledge, sign up today for the next training at unicefusa.org/form/new-volunteer-orientation. Additionally, some sessions include a 30-minute briefing for college and high school students to be onboarded and to ask specific questions with the team.

Student Summit

College and High School Clubs

Each year, student leaders from across the country come together at a weekend-long conference to learn and share ways to make their UNICEF Club's impact greater. The UNICEF student summit is an opportunity to hear UNICEF speakers,

attend topical workshops, collaborate with likeminded students and build upon their leadership skills.

Leadership Symposium

College and High School Clubs

The leadership symposium is a year-long online webinar series that focuses on developing leadership skills and global citizenship awareness on college and high school campuses across the country. Leaders will learn how to effectively take action on campus toward addressing some of the world's biggest challenges.

Regional Webinars

College and High School Clubs

From September to June, the National Council members for both high school and college clubs host Regional Webinars. Contact your National Council member to find out when the next virtual meetup will be.

campus@unicefusa.org

Topical Webinars

All volunteers

At times, the U.S. Fund for UNICEF will host webinars on specific topics such as water, sanitation and hygiene, current advocacy alerts and actions or emergency response briefings. These will appear on the Volunteer page on our website.

Congressional Action Teams (CATs)

All volunteers

Learn to engage your members of Congress to cultivate champions for children. Join monthly Congressional Action Team (CAT) calls with advocates across the country. CAT members will receive updates on UNICEF campaigns, practice articulating the issues and be trained and supported to take actions such as calling and visiting elected officials together. Email volunteer@unicefusa.org for more information.
