ATTEND A SPEAKER’S SERIES
Interested in learning more from experts on how COVID-19 has impacted different communities around the world and what UNICEF is doing to support the recovery efforts? Listen in on a UNICEF Won’t Stop Speakers Series event. Here is a list of all upcoming events.

FUNDRAISE
COVID-19 has put lives, assistance programs and education on pause, which has had serious and lasting consequences that UNICEF is rushing to address. You and your community can virtually host a fundraiser or activity to help raise these funds. To access resources to support your event, submit an idea. You can also use any of our social shareables to promote your event.

Thank you for supporting UNICEF. Together, we can end the pandemic—and restart children’s lives.
