

How to Play the UNICEF Change for Good In-Flight Video

The “UNICEF COLLECTION VIDEO” is a brief video on the Change for Good program and includes highlights of Champions’ visit to UNICEF programs in the field. Champions are asked to introduce the video at the end of your PA. The video plays over the PA and the main OH monitors on all flights.

Show the UNICEF in-flight video found in the following area of the IFE system:

- 777/767/757/737/Airbus - on the IFE screen, select the “Video PA” button. Scroll down the menu, select “UNICEF CHANGE FOR GOOD” video.” Select language (English) and press “PLAY.” Make sure the OH monitors are turned on in all cabins.
- 777-200 – on the IFE screen, push the “Video Announcements” button. Select the “Overhead” button. Scroll down the title menu, select UNICEF Collection Video and press play.”
