## Could you do it?

More than **1.2 billion** people around the world survive on less than **\$1.50 a day.**

This spring, challenge yourself to **Live Below The Line** for just five days. Limit your spending on food and drink to just \$7.50 over five days and see what an impact you can make.

Extreme poverty, which affects families in every region of the world, does not just mean hunger. It means a lack of food options. It means stunting and malnutrition.

UNICEF is committed to preventing and treating child malnutrition around the globe and to helping every child get the nutrition needed for healthy future.

live  
below  
the  
line

- Register your challenge.
- Bring your friends, family and fellow diners along.
- Raise funds for UNICEF nutrition programs around the world.
