Help the Children of Nepal

The powerful earthquake that struck Nepal has left many children and families in need.

The first priorities for UNICEF are to provide lifesaving supplies and to keep children safe.

What You Can Do...

- Register as a UNICEF volunteer to [get involved](#) and learn more about the emergency.
- Host a fundraiser in your school or community. [Register your event](#) so we can help support you and use these [online fundraising tools](#).
- Start a [Campus](#) or [High School Club](#) at your college or school to help raise awareness and funds for the emergency.
- Learn more about how young people are affected in emergencies. [Share these resources](#) with your teachers.
- Stay up-to-date via social media and share UNICEF's information. Find us on Twitter and Instagram: [@unicefusa](#); and join us on Facebook: [UNICEF-USA](#).
