The United Nations Children’s Fund (UNICEF)

UNICEF works in 190 countries and territories to put children first. UNICEF has helped save more children’s lives than any other humanitarian organization, by providing health care and immunizations, clean water and sanitation, nutrition, education, emergency relief and more. The U.S. Fund for UNICEF supports UNICEF’s work through fundraising, advocacy and education in the United States. Together, we are working toward the day when no children die from preventable causes and every child has a safe and healthy childhood.

The U.S. Fund for UNICEF Chinese Children’s Initiative

Your support of this event will allow UNICEF to continue to fight for the development and protection of children in China who do not have basic resources in order to survive and thrive. Through the U.S. Fund for UNICEF Chinese Children’s Initiative fundraising efforts, much-needed Child-Friendly Spaces have been created throughout rural China that reduce the institutionalization of children in central orphanages. These spaces provide its visitors with clean water, education, protection from the dangers of child trafficking, and HIV/AIDS prevention.

This year, with your support of the UNICEF Chinese New Year Soirée, we can continue to address the most critical issues confronting millions of children in China.
