## Gifts and Cards

Every card, every gift you buy  
helps *save* children's lives.

© UNICEF/HQ06-0536/GIACOMO PIROZZI

I took this job the year I turned 50. I always say it was my 50th birthday present to myself. Because even on my worst days, I don't go home sorry I'm here. I feel really lucky. To be one piece in this big wheel that saves the lives of so many children is a privilege.

Through your purchase of UNICEF cards and gifts, you can be a part of that big wheel, too. Every purchase you make can help UNICEF give children in some of the most remote and desperate places in the world a chance to grow up happy and healthy. 19,000 children die each day from preventable causes like hunger, disease, and lack of clean water. Even more are denied access to an education. UNICEF believes this number should be ZERO. Please take time to shop this catalog. Find that perfect gift or card for yourself and/or a special someone. Know that gift or card will generate more than just smiles.
