Host a Virtual Meeting

Take your Meeting Online

As we each try to adapt to remote learning and working, we want to help you continue to host your UNICEF meetings—online. Below you'll find digital tools and tips to help you maintain connection with your fellow UNITERs, learn how UNICEF is taking action during this time, and understand what you can do to take action online.

Digital Tools

Host a video meeting

- Google hangouts
- Zoom
- Skype
- Facebook Live
- YouTube Live

Group Communication

- Slack
- WhatsApp
- GroupMe
- RemindMe

UNICEF USA Resources

- [PowerPoint Center](#)
- [UNICEF Clubs Slack](#)
- [UNITE Facebook Groups](#)
- [Webinar Calendar](#)
- [Social Media Shareables](#)

Tips & Tricks

- **Make it interactive-** Use the tools each platform provides like Zoom's breakout sessions.
- **Set online ground rules-** Mute yourself upon joining or use the chat box to for questions.
- **Invite your community-** Host a live stream panel or Q&A session on social media.
- **Plan ahead-** Choose someone to moderate your meeting and test your technology.

- **Improve efficiencies-** Utilize Slack, which allows you to combine multiple apps. Try syncing your google calendar to Slack.
- **Check-in-** Don't only chat with your group about meetings, but check in with them often to encourage and help each other through this tough time.
- **Share resources-** Quickly and easily share links and resources.

- **Learn more-** Download a PowerPoint and discussion guide on difefrent UNICEF. Program areas from our PowerPoint center.
- **Join @UNICEFClubs Slack-** Get ideas and stay connected with other club leaders.
- **Stay connected-** Check in on other UNITE teams through our Facebook Groups.
- **Tune in-** Find new webinars through our online Calendar.
